

proj_main_loop

end

rtc_unsubscribe_interrupts

```
graph LR; A[proj_main_loop] --> B[end]; B --> C[rtc_unsubscribe_interrupts];
```

The diagram illustrates a linear flow of three components. The first component, 'proj_main_loop', is a white rectangle with a black border. A dark blue arrow points from its right side to the second component, 'end', which is also a white rectangle with a black border. Another dark blue arrow points from the right side of 'end' to the third component, 'rtc_unsubscribe_interrupts', which is a gray rectangle with a black border. All three components are aligned horizontally.
